

# IDAHO LEGISLATIVE PRIMARY VOTER'S GUIDE FOR 2006

THIS VOTING GUIDE IS BASED ON HOW 'YOUR' INCUMBANT LEGISLATORS HAVE VOTED AND THEIR 'POSITION' ON ALL PREVIOUS ANNEXATION REFORM BILLS FROM 2000 THROUGH 2006, ON LEGISLATION THAT WOULD HAVE RESTORED YOUR VOTING & PROPERTY RIGHTS .

**INCUMBANTS WITH A 'NO' OR ' O' POSITION , HAVE VOTED & OPPOSED THEIR CONSTITUENT'S MOST BASIC RIGHTS AS AMERICANS**

Idaho's current Forced Annexation Law allows Developers to make make growth decisions, forcing taxpayers in nearby communities to subsidize their business ventures. Appropriate IMPACT FEES are charged by all other States on new-growth, holding Developers responsible to fund the financial burdens their business ventures place on nearby Community resources, schools, roads, police, fire protection, etc. These Impact Fees are recovered upon sale of properties within the development, requiring Developers to fund their own ventures.

To date, Lobbyists for Idaho's Realtor, Developer & Contractor Cartel, 'I.A.C.I' Idaho Assn. Commerce & Industry, have defeated all Citizen Sponsored Annexation Reform Bills that would prevent Corporate Interests from using our Property Taxes to subsidize infrastructures for their Development projects.

Making a list & removing those with 'NO' VOTES and checking-out the ' ? ' Candidates will restore Idaho with a REPRESENTATIVE GOVERNMENT. Contact information for also all 2006 Candidates are posted on this website for your convenience.

THE LIST BELOW, STATES YOUR ENCUMBANT LEGISLATORS PAST VOTING RECORD AND " POSITION' TAKEN ON ANNEXATION REFORM LEGISLATION SINCE 2000.

**NO** = Voted "Against" Constituent's Voting Rights

**YES** = Voted "for" Constituent's Voting Rights

**O** = Has opposed Annex. Reform with Constituent Voting Rights
